The Deputy Commissioner, Mandya District, has appointed without sanction, a Revenue Inspector on Rs. 40/- plus Rs. 10/- and a peon on Rs. 10/- with effect from 1-11-1944 to attend to the ascertainment of surpluses and transport of food-grains to the deficit areas. At this rate every Deputy Commissioner might go on appointing Revenue Inspectors for purposes which he considers essential and in anticipation of Govt. sanction. This would have to be stopped. Again there have been already several files where it has been observed that in the Food Department, appointments are being made without

Government sanction and even without informal approval of Government. I think this has to be stopped. The present appointment therefore need not be sanctioned.

P.T.O.

Copy of letter No. 33-133/44, dated 12th Nov.1944 from the Deputy Commissioner, Mandya District, Mandya, to the Director of Food Supplies, Bangalore.

In continuation of this office letter No. 33-134/44 dated October 1944, regarding introduction of Rationing in Mandya, Malavalli and Nagamangala towns I have the honour to state that the population of Malavalli town is 11,115 as per the ration Census obtained during April 1944. Most of the persons in the town possess lands and next harvest is fast approaching it is necessary to secure very early up-to-date correct information with regard to persons in need of grains without being owners of land, those who are self sufficient in order to get a correct idea and to regularise the identification already issued in the light of this information the services of an Inspector are absolutely necessary and as such in anticipation of sanction I have appointed a Revenue Inspector on Rs.40/- plus 10/- per month and one peon on Rs.10/- from 1st November 1944 up to such time rationing is introduced; his services will also be of immense use in the transport of foodgrains during the coming 3 or 4 months to deficit areas and also Government Rules demand. I request you therefore to move the Government to accord sanction to this establishment.
